Grand Opening of Goodwill Outlet store in Collinwood

by Peggy Kearsey

Grand Opening of Goodwill Outlet Store Unites Greater Collinwood, Cleveland, OH--Greater Collinwood Development Corporation joined Councilman Anthony Hairston and Goodwill Industries of Greater Cleveland Thursday morning, July 25,

for the Grand Opening and ribbon cutting ceremony at the new Goodwill Outlet Store, located at East 179th Street and St. Clair Avenue, Cleveland.

The morning was bright for the momentous ribbon-cutting event. The ceremony speaks to the collaboration between the

Councilman's Office, GCDC and social enterprises investing in Greater Collinwood neighborhood.

"We have a great relationship with Goodwill Industries and will be working with them a lot in the future for joint programming," says GCDC Director of Business Development and Operations Cynthia Brookins.

"It was great to see such a long line of residents supporting the Outlet's opening in Collinwood."

Goodwill officials met with the Councilman and GCDC staff after the event to tour the facility where merchandise is cycled by the hour and shoppers can enjoy deep bargains and quality merchandise. Items

are priced at \$1.39/lb while large items such as furniture and select showcase items are priced individually.

"Goodwill Outlet Stores represent a win-win for the community," says Goodwill President and CEO Anne Richards. "Shoppers get another chance at merchandise, and every item that is sold in the Outlet Store is another item that is kept out of a landfill."

"You might call it the ultimate recycling program, with the added benefit of fueling job readiness and placement programs - something every Goodwill Store does," says Richards.

The Outlet Store is the second one of its kind for Goodwill Industries of Greater Cleveland and East Central Ohio. It is expected to be a strong complement to the 11 other Cleveland area stores.

Goodwill Industries of Greater Cleveland and East Central Ohio, Inc. works closely with other non-profit agencies as well as community businesses to prepare people for a variety of stable career options and in turn, a more productive and sustainable way of life.

The new Goodwill Outlet Store is located in the Greater Collinwood neighborhood at 17903 St. Clair Avenue, Cleveland.

## Councilman's Corner - August

by Michael D.  
Polensek

Summer is really here! We went from the monsoons to the heat. I am not complaining for, before we know it it will be Autumn. Let's enjoy each warm day while

we can!

The construction work at Mark Tromba playground, in spite of the rain, has gone very well. We are planning on an official reopening of the park sometime in the middle to late August. This \$1.5 million project was long overdue and will put Tromba on the same level as many suburban facilities. This park is special to me for I myself swam at Tromba Pool as a teen and I am looking forward to the project being completed. Watch for the re-dedication announcement.

Our friends at the Cleveland MetroParks contacted my office to let me know that they are still looking for SEASONAL HELP at Wildwood Marina and Concession Stand. If you know of anyone interested in seasonal and part-time work with the MetroParks. Contact them at (216).635.3200, or send an email to [generalinfo@clevelandmetroparks.com](mailto:generalinfo@clevelandmetroparks.com)

MetroParks also mentioned to me that they are not getting the customers they thought they would get at the Wildwood Concession stand and carry-out. They spent a considerable amount of money in renovating the inside for the sole purpose of being able to prepare hot food and carry-out items. You have heard me say many times in the past when it comes to neighborhood businesses and venues, "if you don't use – we will lose it!" I lobbied long and hard to get MetroParks to expand their offerings at the Wildwood concession stand. However, if our residents and park goers do not patronize the stands at both Wildwood and Euclid Beach they could close next year. This was be counterproductive for the redevelopment of our lakefront parks. Please support our friends and partners at Cleveland MetroParks.

Work is well underway on the East 185th Street/Marcella Road storm sewer project. This \$15 million project will run throughout the year and into the next. This is a result of the City of Cleveland's Division of Water Pollution Control, (WPC) effort to address the ongoing and severe basement flooding we had experienced in the East 185th Street and Lakeshore Boulevard areas. Please be careful, for your sake and that of the construction workers, while driving through these areas.

The City's Division of Park Maintenance is finally getting caught up on grass cutting at abandoned lots and properties throughout the city as a result of the extremely wet spring. If there is a property on your street with high grass over 8" please call it into the Mayor's Action Center at (216) 664-2900.

Work on the relocation of Walgreens at 16100 Lakeshore Boulevard has begun in earnest. They have indicated that they will have this open and operational by September. This is one of those corporate decisions which is hard to understand. Nonetheless it was critical to have a pharmacy in our community at that location

due to the large number of seniors nearby who are highly dependent upon Walgreens for their pharmacy needs. Let's hope this decision works for the best interest of our community. We are still waiting to hear what plans will be for the former location at 15609 Lakeshore Boulevard from the out-of-state property owner. As soon as I hear something – I will let the community know.

I want to take this opportunity, on behalf of the greater Collinwood community, to congratulate to organizations who have been a part of the basic foundation of the neighborhood for now 100 years. St Jerome's Catholic Church located at 15000 Lakeshore Boulevard and the Collinwood Slovenian Home located at 15810 Holmes Avenue were established during the waning days of WWI. Besides both being historic landmarks, they join a long list of other neighborhood institutions who have reached their centennial.

St Jerome's has been a spiritual anchor in the North Shore Collinwood area and continues to serve, not only the spiritual needs of the community, but St Jerome's Elementary School has also been a key source of pride and academic excellence. This "Beacon on the Boulevard" has been an inspiration for countless families in our neighborhood. My sincere congratulations to the current Pastor, Rev. Bill Jerse; Pastor Emeritus, Rev Francis Walsh; Deacon Pete Travalik; Ms. Adele Markert, Business Manager; Ms. Julia Wallace, Music Director; Ms. Marguerite Dipenti, Ministry Coordinator; Mr. Chris Abate, Facilities Coordinator; Mr. Robert Masciere, Sexton; and, to its parishioners. God bless the people of St Jerome's as you celebrate this milestone.

What can I say about the Collinwood Slovenian Home, which I have been a part of since I was a small child with my late grandparents. Think about it – the hall was built with manual labor by the members. When you read stories of wives and daughter lugging bricks on wagons from the now long gone Collinwood Brick Yard and then building this imposing structure in 5 months! It almost seems impossible, but they did it. They raised the money in the neighborhood because they felt the need to protect their Slovenian heritage and to have a "home away from home." That is what we call it, those of us who are members. My sincere appreciation, on behalf of our community, to all members of the past and present, who gave of their blood, sweat and tears to ensure that this would be a meeting place for the greater community as a whole regardless of race, ethnicity or religion can gather. Their 100th Anniversary celebration is planned for Sunday, August 11 beginning at 1:00 PM. Tickets are \$35. Donations for gift baskets are also welcome. Anyone wishing to donate or purchase tickets can call the Home at (216) 681-6649.

Last, but by no means least. I wish to publicly CONGRATULATE, our long-time Neighborhood Partnership Inspector, better known as the "Sherriff of Nottingham," MIKE TROHA, who retired in July from the Greater Collinwood Development Corporation. Mike, who worked over 30 years patrolling the streets of our community working on building & housing complaints, will be sorely missed. He will not be forgotten. Mike grew up in Collinwood and he and his wife,

## Collinwood Connects Micro-Grants

by Carly Lovely

Do you have a project that would make a positive impact in the neighborhood? Collinwood Connects has now extended the deadline for Family Feud Game Night team applications. Apply to play as a team for a chance to win a micro-grant that helps your community project come to life!

Collinwood Connects is accepting applications through September 6, 2019. Teams of five will compete on October 11 and November 15 to win a microgrant of up to \$4,000. Awarded micro-grants must be applied to a project that takes place in Greater Collinwood.

Participants must live and projects must take place in Collinwood, Nottingham Village, Euclid Green and Glenville-East. Applications are due Friday, September 6 at 12pm. Team selections will be made by September 20, 2019.

Collinwood Connects is possible thanks to funding from Cleveland Neighborhood Progress through their Neighborhood Solutions Award.

Requests for applications can be sent to: Carly Lovely at [clovely@greatercollinwood.org](mailto:clovely@greatercollinwood.org) (subject line: Collinwood Connects Application Request) or visit [Collinwoodconnects.com!](http://Collinwoodconnects.com!)

## Connect with Cleveland's Future

The True2U Mentoring Program serves all 8th graders in the Cleveland Metropolitan School District once a month on a Thursday morning. Volunteer mentors work in small groups to guide students in accepting and celebrating who they are so that they can be true to themselves now and in the future. True2U is currently looking for mentors who are passionate about developing Cleveland's future leaders. As a mentor you can give back to Cleveland Metropolitan School District through in-school mentoring, you can connect with other passionate volunteers, and can build upon

your interpersonal and professional skills. True2U is looking for community members to mentor in the following Collinwood schools - East Clark, Euclid Park, Hannah Gibbons, Iowa-Maple, Kenneth W. Clement Boys' Leadership Academy, Memorial, and Oliver H. Perry. If you or someone you know want to learn more and complete an application, visit [true2umentor.org](http://true2umentor.org). If you still have questions call Molly, Khalid, Lindsay, or Tiara at (21) 812-8700 or send an email to [true2u@neighborhoodleadership.org](mailto:true2u@neighborhoodleadership.org).

## St. Mary's Collinwood will have its annual summer church picnic Sunday, August 19th

The Picnic will start with Mass at 12:30 at Slovenska Pristava (1024 Brandt Rd, Geneva, OH 44041). Following the Mass, we will serve a Chicken/Roast Beef dinner. Donation is \$15 for adults and \$8 for children 12 years of age and under. The International Biergarten will serve a variety of beers as well as feature a Grill which will cook up 1/3 pound Hamburgers and Italian sausage which are available right after mass. After dinner Cevapcici, klobasa, Burgers,

Hotdogs fries and other food will be available to purchase throughout the day. Altar Society will have a bake sale. There will be children's games and ice cream. Plus a Chinese auction and wonderful music preformed by ANSAMBEL EUROPA. The grade prize raffle will be held at 7:00 PM. Pristava Swimming Pool will be available to the public for a nominal fee. Our Picnic is open to everyone.

## 15th Annual, Remembering the Sights and Sounds of Euclid Beach Park

by Richard Wickens

September of this year will mark 50 years since Cleveland's beloved amusement park, Euclid Beach Park closed forever. For 74 seasons it operated on the shore of Lake Erie in Cleveland's Collinwood/Nottingham neighborhood. Although many were saddened by the amusement park's closing, this year's event sponsored by Euclid Beach Park Now in partnership with Cleveland

Metroparks, and made possible by a grant from Cuyahoga Arts and Culture, celebrates 50 Years of Fond Memories. To help rekindle memories of the grand amusement park, Euclid Beach Park Now has produced photo posters of the individual rides and attractions with descriptive narrative. These will be placed throughout the park as near as possible to where the ride and attraction once stood. One can take a self-guided tour or tag along on one of the guided tours, led by a Euclid Beach Park Historian relating more park history. There will also be displays of park memorabilia. The Rocket Ship Car and Thriller Car will be present, offering rides out to Lake Shore Boulevard, under the old arch entrance and over the bridge was once part of the Turnpike ride which remains between the two high rise apartment buildings.

New Euclid Beach Park T-shirts and sweatshirts paying homage to the amusement park will be available for purchase, including a new design "Celebrating 50 Years of Fond Memories. DVD's of park history will be for sale as will CD's of the three band organs that were at the park. Euclid Beach Park Now's own book published by Arcadia Publishing will also be available.

Food will be available via Swensons food truck, also Euclid Beach Park popcorn and candy kisses from the Humphrey Company. Weber's Premium will be on site dispensing frozen custard and malts we enjoyed in the basement of the Higbee Department Store.

Besides the photo posters of rides and attractions, there will be some Euclid Beach Park Memorabilia on display. As in years pass there will be an antique car show, The Cars We Drove To Euclid Beach Park. The date for the event, Sunday, September 29, 1:00 pm – 5:00 pm, rain or shine, free admission and free parking. The event is at the current Euclid Beach Park, 16301 Lake Shore Boulevard, Cleveland, OH 44110, just East of the original park entrance and across from the Collinwood Recreation Center.

## Nan’s Notes

by Nan Kennedy

### Marie Neil Brings Dan Miller to Waterloo Arts Through September

Born in 1980 and raised in Cleveland, Ohio, Dan Miller is largely a self taught artist working in many mediums, primarily acrylic and watercolor. With a penchant for illustration, he evokes whimsy in often heavy or dark subject matter. Dan is also the author of several unpublished children's books, and does a considerable amount of commission work.

### Echoes of Dali, echoes of Miro – all colorfully and very elegantly rendered.

Waterloo Arts 15605 Waterloo Road, 216-692-9500, www.waterlooarts.org. Gallery Hours: Wednesday 12-7 pm and Saturday 12-4 pm. Or call 216-692-9500 to make an appointment.

### Dork, and His #1 Fan, at Praxis Praxis Fellow 2019 Gregory Hatch

With background in art history and a passion for narrative and ritual, Gregory Hatch is a fiber and performance artist who explores how pattern, texture, and material reflect our experiences and how we retell these stories. Recently his work has continued ideas of personas and archetypes that were explored in his thesis. www.gregory-hatch.com

A series called “Hides,” for instance, uses 81/2 x 11 pieces of hand-made felt – sort of like animal skin but sort of not - to fuse an individual's unique pattern and texture with the chosen pattern and texture we lay on top of it. The result is colorful and temptingly strokeable. (But I don't think you're meant to stroke them.)

Since earning his MFA from Ohio University in 2015, Greg has worked with community arts organizations giving workshops on felt making, mask making, and hand quilting. He has presented his work at the SculptureX Symposium in Columbus, Radical Philosophy Conference in Long Island, Mid-Atlantic LGBTQA Conference in Bloomsburg, PA, and Open Engagement in Oakland. Gallery hours are Wednesdays and Sundays from noon to 4 pm or by appointment. Email gallery@praxisfiber-workshop.org for any questions or information about showing at the gallery.

### Outstanding Collection of African-American Art at Framed Gallery

Stacey's gallery was inspiring right from opening day for the strength and variety of the work – which comes from African-American artists all over the country. Lately she has been showing some particularly interesting collections.

Hampton R. Olfus Jr. of Washington, DC, has exhibited nationally and interna-

tionally. His work runs a fascinating range from African to Native American and European, reflecting aspects of the Gullah culture of the coastal Carolinas and Georgia, where a unique creole language developed, with links to the Krio language of West Africa and a number of West Indian creole tongues.

Michael Gibson's work is fascinating in another way; he creates

3-D reality with a pencil. Charles Smith creates finely detailed sgraffito pots with contrasting images, patterns, and textures. Jerry Prettyman produces bold and colorful paintings and drawings from his impressions of Jazz and Blues musicians.

And if they've sold out, Stacey promises more to follow.

### Framed Gallery, 15813 Waterloo Rd. Article Gallery August “Ursuline Invitational” By Appointment

Article is open mostly during Walk All Over Waterloo, on the first Friday of each month, but if you can't make that, you can call 440-655-6954 for an appointment.

“Ursuline Invitational” involves five generations of family, friends and faculty, 33 artists in all. Show stays up through August.

Save the Date: In September, artists Laura Dumm, Gary Dumm and George Kocar will be exhibiting their artwork at Article. The opening for this extraordinary show is Friday, September 6th, 6-10pm. 15316 Waterloo Road

### Jerry Schmidt’s Sculpture Court

Metal sculptor Jerry Schmidt has long since over-flowed from his studio into the space in front, and has continued flowing down the street, dropping a wonky bench here, a few metal flowers there, a giraffe on a street corner . . . Stop in and ask him for a tour. Across the street from Article.

### Blue Arrow Records Turns Ten August 10

On Saturday, August 10, 12 – 6, Blue Arrow Records will celebrate their 10th anniversary – and they're hoping for company – because they couldn't celebrate a decade without their customers. Join the for a day of DJs ! Snacks! Fun! Raffles! Records! Cats! And 10% off all purchases! Music. Kid friendly. Be there.

### Blue Arrow Records 16001 Waterloo Rd. Matt Shiffler Photography

Down at the E160 end of the street is Matt Shiffler's studio, the walls lined with the most amazing photographs. Matt has travelled in Asia, and some of the most striking scenes are from there, but he has a remarkable eye for composing landscape shots, and there are many of those, too. Mostly open 10 am-7 pm, but sometimes he's out taking more pictures. To be safe, call (440) 223-7264. Matt Shiffler Photography 16101 Waterloo Rd

### Vintage Toy Nirvana at StarPOP vintage+modern

Everything your parents didn't buy for you when you first wanted it – you can get it now. (It looks better if you bring a kid with you – but be aware that lots of the Beach-

land's bands find treasures at StarPOP). Not just toys – also T-shirts, books, music, pins, Ouija boards . . . Troy is infatuated and his little shop is crammed – all for you. Across from Matt Shiffler.

### A Little Refreshment

Possibly the world's best pizza at Citizen Pie. Caribbean flavors at Callaloo Café. Great bar food at Classics (in the former Slovenian Home). Great chili at the cops' dive bar, SS Boardwalk. Saturday and Sunday Brunch at the Beachland: mmm, those house-made buttermilk biscuits.

### Six Shooter Coffee

A pretty good coffee house with a great cup of hot chocolate for people like me. Also banh mi sandwiches on Japanese milk bread, when Bonn has time. An excellent place to camp with a laptop. And the gallery for BRICK Ceramic lurks at the top of the stairs. (I have to add that people who actually drink coffee say SS is a great coffee house.) They're certainly adventurous: cold brews infused with hops from Hiram, Ohio. Cherry cola cold brew on tap. And in August, SS will have its own display, curated by Maria Neil: bright geometric abstractions by graphic designer & illustrator Leandro Castelao. A block east of StarPOP.

### Music for Miles in September

#### Howie Smith, Title to Be Announced, Sunday September 8

The thing about a Howie Smith concert is that the audience has no idea what's coming, and sometimes it also surprises Howie. Last time Howie played for us, he was billed as Howie Smith and his Iron Toys. For more than twenty-five years one of the classes Howie taught at CSU was Jazz Survey, a course designed to acquaint non-music majors with some of the major musicians associated with that style of music. The final class of every semester was an hour-long, completely improvised solo concert that utilized any and all of the instruments and electronics he had on hand at the time. On a number of the thirty concerts that were part of his annual Concert in Progress, he was the sole performer, again utilizing a variety of instruments and electronics.

If you're a fan of being surprised – in a good way – by music, mark the calendar: Sunday, September 8, 4 pm, Waterloo Arts.

### AROUND THE NEIGHBORHOOD

#### Moms Announce Best Beach in Cleveland: Wildwood

The sand is clean – Metroparks is taking good care of us. There's a swimming area for kids, and a play area for kids, and food for the family at the new take-out restaurant/snack bar (I've read the menu and it sounds too delicious to be healthy – but food you eat at the beach has no calories. ) And it's right here. Thank you, Councilman Polensek. I first wrote about bringing back a concession stand in 2012 – good things come to those who wait – but the councilman has been on the case much longer.

### Fiddles at the Market

The Coit Road Farmers' Market, that is, where there is usually music of one sort or another, most often guitars. Sometimes Pat with her violin students. And last Saturday, my friend Janice with her fiddle; you can tell a fiddle from a violin, says Janice, because a fiddle has strangs. Janice played Amazing Grace for me, which is just what I think the market is: tiny and shabby but extraordinarily effective. It works so well for me, perhaps, because I cook what the market has that week, instead of going with a shopping list; as a result, between the market and my garden (all of us organically inclined), I buy very little produce at grocery stores. Or butter or eggs. Or cookies. Or jams or pickles or ramps butter or black garlic powder. Or coffee.

Besides the music in the background, there is usually a cooking demo conducted by Kevin and Andrew. Last week it was ice cream – possibly the reason why Jane&Friends were at their stand, despite the heat; they had gigantic beets with sweeping skirts of greens, and arugula, and charming jam-pot bouquets of zinnias and wildflowers. Plus a very small amount of gooseberries for making gooseberry fool. Care-A-Van makes frequent visits, also, with (loud) music and free books and health checks, among other things.

And it's late July, so Secors is back for the season. They truck in three stands full of corn, melons, squash, peaches, tomatoes, peppers, berries . . . always good news.

And the big moment of the summer: August 17th /Annual Cliff Schultz Memorial Corn Roast 11am. 15000 Woodworth Rd, East Cleveland, (216) 249-5455.

### A Word in Your Ear

I noticed a Snopes report on Ring the other day – the operator of doorbell cams that promises to keep your deliveries safe. Apparently their growing ubiquity is making some people worry about how much they also record on perfectly innocent neighbors and passers-by. Not mentioned was a factor that I would think might drive the owner crazy – a report every time a car passes the house?

### Summer Concerts in a Park

#### August 8 and 22

East Shore Park Club welcomes neighbors to their summer concerts; dogs and children (well behaved) are welcome; food trucks attend, or bring a picnic.

The Hot Club of Buffalo + Rebecca McIlvain, August 8, 6:30 - 9:45. PLEASE NOTE THE EARLY START TIME 6:30 PM for opening act. The Hot Club of Buffalo is a 4-piece gypsy jazz band from...Buffalo, NY!

Pieces of Eight, featuring the Lakeside Brass, on Thursday August 22, 7- 9:45. 17213 Dorchester Dr.

### Police-Community Relations through Book Clubs August 29

Memorial Nottingham branch library will host a panel discussion of police relations and the community, the final event of a Police Commission program that invited the community's residents and peace officers to read and discuss Jewell Parker Rhodes' “Ghost Boys,” at MemNott and other library branches city-wide. Thursday, August 29, 7 pm.

## Happy Birthday St. Jerome

The Most Reverend Nelson Perez greets St. Jerome Principal, Susan Coan after Mass celebrating St. Jerome Parish's 100th year.

by Adele Markert

Alumni, friends and former parishioners filled St. Jerome Church to overflowing July 21st to celebrate 100 years of faith and community. The Most Reverend Nelson Perez presided at Mass. Each of our six pastors were represented in some way. Fr. Bill, Fr. Haren, and Fr. Walsh concelerated the Mass. Our founder, Monsignor Leo Hammer's vestments were displayed in the back of the church, Fr. Koehl's chalice was used, and Fr. Cassese's rosary was on the altar in

the flowers. Representatives from the various parish organizations, the school and alumni were active participants.

After Mass 450 people gathered at the Irish American Club East Side for a wonderful luncheon and fellowship. Alumni Brian Travalik presented a video he created for this celebration, it is currently available on Facebook along with a wealth of pictures that have been shared at our St. Jerome Church, St. Jerome Centennial, and St. Jerome Alumni pages.

Now that summer is here it's time to take advantage of our Collinwood coastline. The Cleveland Metropark's Euclid Creek Reservation is made up of three sections along the lake, Wildwood (Neff Road Park), Villa Angela, & Euclid Beach. All are interconnected with a paved tree lined footpath along the lakeshore.

So start off pulling in Wildwood main entrance winding down along Euclid Creek till you get to the marina. Park and start-walking west and cross over the footbridge over Euclid Creek. You can then have a

photo opt with the script Cleveland sign. Continue on passing Villa Angela Beach and on to Euclid Beach finishing up with walking out to the end of the new Euclid Beach Pier. Looping back then to the marina and reward yourself with a burger and a beer or maybe some Honey Hut ice cream. It's been a great year fishing for Walleye and Labor Day is just around the corner. So get busy.

## On The Move Moving Did A Good Job

by John Copic

I have had the pleasure of hiring On The Move Moving twice. First time was for my business, the second time was to help my daughter move. You know what it's like on moving day. Here you are, counting on all your friends to show up and one by one they

cancel.

Well you never have to worry about that again. Call Marcus. His crew was on time, very professional, and very very hard-working. I highly recommend this company if you need a cleanout or anything moved.

## Collinwood Slovenian Home Celebrates 100 years!

by *Angela Ferritto*

The Collinwood Slovenian Home is celebrating its 100th year anniversary!

Join us on Sunday, August 11, 2019 for a dinner party. (Doors open at 2:00 pm.)

You will enjoy a fabulous catered dinner, cash bar, polka music, and a presentation ceremony that will feature some of our local and state representatives.

There will also be a Chinese auction with great prizes.

The Collinwood Slovenian Home is housed in a designated historic landmark building.

The history of the Slovenian Home is an

integral part of the woven tapestry of European immigrants in Cleveland. That it has survived and thrived for 100 years in these changing times is a testament to the hard work, perseverance, and loyalty of the Slovenian and other cultures that have made this a great city.

With your support we will celebrate another 100 years!

## E 185th Neighborhood Association Meeting: Collinwood Rec Center - Getting Involved

by *Elva Brodnick*

The E 185th Neighborhood Association held its July meeting, as always, at the Lithuanian American Citizens Club on E 185th St. And - as always - there were lots of upcoming events to catch everyone up on, and our Fifth District Community Engagement Officer was on hand as always, to talk about neighborhood issues, & report back on previous questions.

Our guest this meeting, was Michael Cook, President of the “Friends” group for our Collinwood Rec Center. Not only is our Rec Center one of the busiest - if not the busiest - Rec Centers in the city, Mr. Cook says being so offers all kinds of opportunities for volunteering, to help keep our Rec Center great. Including joining

the “Friends” Board. Do consider joining the “Friends” Board - especially if you’re a regular user of the Rec Center. Meetings are every second Tuesday, at 6:00pm, at the Rec Center.

As always, we invite you to check out your local Neighborhood Association - the meetings are always listed in the Community Meetings calendar here in the Collinwood Observer. This is your regular chance, to talk to both the Councilman, & our local Police District - & it’s a great way to be active in this community of ours.

Look forward to seeing you! (And bring a neighbor!)

See you next month! Elva Brodnick

## Our Lady of the Lake School Welcomes Students Back with Theme of Inclusion

OLL School Welcomes Students Back Tuesday, August 27th

New coding devices and building manipulatives join a new 3D printer in the Maker Space.

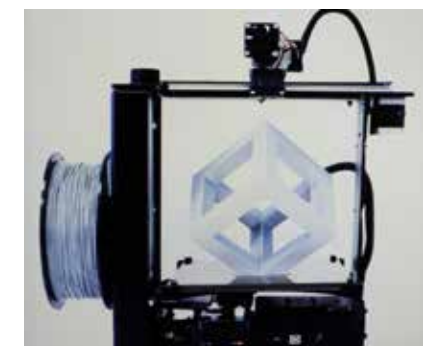

by Bev Caldwell

### We Care About the Whole Child!

"At Our Lady of the Lake we care about the whole child, not just the academics," says Principal Mrs. Jenny Millett. "We value each student and work hard to ensure the success of each of these students."

"We are all worthy of God's Love" is the new theme of the 2019-2020 school year. The theme embraces harmony and community – both of which are reflected in the vision of the school. Service and a commitment to others is integral in the day to day learning experience at OLL School as teachers incorporate faith into their lessons.

Assistant Principal, Ms. Lauren Zbiegien, will oversee technology and the new Maker Space. She and principal, Mrs. Jenny Millett, have been diligent in their efforts to ensure that their vision of Our Lady

New Maker Gear M3 3D Printer

of the Lake School reflects the values that make this school offer a great education with a small community feel.

Principal Mrs. Jenny Millett emphasized their commitment to keeping OLL School a great learning environment. "Our class sizes are ideal. In the primary grades we don't have classes over 20, and in the middle school and junior high they don't exceed 25 students."

Our Lady of the Lake has a family like feeling. We are one big community. This is home to many people. Seven members of our staff graduated from here, and many of us send our children here.

Each staff member cares about the well being of the students. The creativity and passion our teachers display is awesome."

### Exciting New Technology Upgrades!

The fully accredited elementary school is ramping up on the technology to prepare

A New 3D Printer and Maker Space await students!

Ms. Lauren Zbiegien, Assistant Principal

students for a global society where they are taught to be independent and innovative thinkers.

Mrs. Millett and Ms. Zbiegien explained: "Our new innovative Maker Space will be taking over the computer lab. The Maker Space is a dedicated learning area featuring computer stations and is equipped with a Maker Gear M3 3D Printer, coding devices such as robots, Osmos, Bee-Bot, building manipulatives and so much more! There is flexible seating in this room as well that lends itself to making it easier for the students to explore and create."

We are also excited to be extending and expanding our STEM program from two days per week to four days per week. STEM classes will be taught in the Maker Space for grades kindergarten through grade eight. Our Lady of the Lake School is invested in STEM programs (Science, Technology,

Engineering and Math) because, not only are these some of the most important fields youth can study to prepare for successful careers, but they're also really fun.

In addition, eighth grade math will be expanding to include an Algebra I on campus class for our qualified eighth graders. This class will be taught first period, and will allow the students to test out of Algebra I in high school. As for language, we offer Spanish every day to our sixth through eighth graders. This qualifies a student to test out and begin Spanish II in high school. Additionally, this year will be the first year we will accept the Jon Peterson Scholarship, a scholarship to assist those with special needs."

### First Day of School is Tuesday, August 27

The faculty and staff of Our Lady of the Lake School will welcome students back on first day of school Tuesday, August 27.

## Our Annual Backpack Blessing Celebrates Back to School

by Bev Caldwell

The carefree days of summer are winding down and that means one thing at Our Lady of the Lake Parish- it's time for our Backpack Blessing. All are welcome to attend the 10 AM Mass on Sunday, August 25th and students are reminded to bring their backpacks for the blessing.

"It is a nice way for the parish to get behind the students of Our Lady of the Lake School to wish them well" said a parishioner. "And it is usually well-attended"

As parishioners join Fr. Joe in extending their hands toward the students for a blessing, one thing is quite clear, Our Lady of the Lake

students are being sent off with a communal blessing and many, many good wishes.

OLL Parishioners Join Fr. Joe in the Annual Backpack Blessing. This year's Backpack Blessing will be on Sunday, August 25th at 10am Mass.

## Back to School Blessing Sunday, August 25th at 10 am Mass

Start the School Year Off Right!

We would like to invite all students to bring your backpacks to church with you to have them blessed!  
Donuts will be served in the church hall after Mass.

## Parish Feast Day Procession Coming up on September 12th!

OLL Parishioners process with Marian statue on Feast Day, The Most Holy Name of Mary, September 12th.

by Bev Caldwell

Our Lady of the Lake's Parish Feast Day is September 12th- The Most Holy Name of Mary. Each year, on the feast day, OLL parishioners join in the beautiful tradition of processing through the neighborhood down to the beach where they honor Mary with prayers and a blessing from Fr. Joe at the lake itself.

After a hot dog roast, Fr. Joe leads with prayers and then the folks sing a litany as they

process back to the church with a statue of Our Lady. Back at church, all join together for Evening Prayer and top off the evening with an Ice Cream Social.

This year is special because it marks the beginning of OLL's 10 Year Anniversary (actually in February 2020). With the 10 year anniversary in their sights, the parish enjoys holding fast to a very singular but special tradition of honoring Our Lady down by the Lake in which the parishioners hold so dear.

### The Beacon on the Boulevard still shines strong after 100 years.

The Most Reverend Nelson Perez stepped down from the altar to interact with the congregation.

St. Jerome Pastor, Fr. Bill Jerse, waits to greet the congregation after Mass.

Former Associate, Fr. John Sullivan, came back to celebrate with former Pastor, Fr. Francis Walsh.

Over 450 people gathered at the Irish American Club East Side to enjoy a delicious luncheon and catch up with old friends and classmates.

Gala Co-chairs Carla & Jim Gallagher were joined by Sr. Ruth Ann (former Principal of St. Jerome School & former parish secretary) and Fritz Holtcamp, (former administrative assistant), along with Helen Kelbach & Cindy Szafraniec.

Former Pastor, Fr. Tom Haren, enjoyed catching up with former parishioners.

Councilman Michael Polensek looks on as Bishop Perez greets long time parishioner and oldest alumni in attendance, Marie Grdina Oliver Wagner.

### Donors Choose Project!

Help Fund Our Student Project!  
Learn How Here!

We are preparing to launch a Parent/Community Volunteer Resource Room at Imagine Bella for the 2019-2020 school year. Our hopes for the resource room will be for par-

ents and volunteers to engage students in grades K-3 in meeting and exceeding their grade level requirement for learning their sight words to read on or above grade level by the end of third grade.

In order to make this resource room a success, we are asking for your help and to spread the word to help us get the resources we need. Our project was added to Donors Choose.

Go to the link below to donate to our project and to share with others who may be willing to donate as well. Enter the code "LIFTOFF" at checkout for your donation to be doubled. Thank you for supporting our scholars!

### Join the PTO

Imagine Bella PTO is looking for new members for the upcoming school year! You can learn more about the PTO at Meet and Greet on Tuesday, August 13th from 6-7 pm. Being a part of the PTO is a great way to meet your family volunteer hours goal! Imagine Bella families have a goal to contribute 10 volunteer hours each school year.

### Early Kindergarten and Enrollment for Next Year!

Does your child turn 5 after another school's Kindergarten cut-off date? No worries! We enroll Kindergarten students that turn 5 by September 30th. Also, if your child turns 5 by December 31st, pick up an Early Kindergarten information kit and learn more about our Early Kindergarten program. Students must pass Early Kindergarten Testing and submit a referral from a parent.

Early Kindergarten is a great opportunity for students who already have preschool ex-

perience and are ready for a more challenging learning environment. Early Kindergarten students participate in a full day Kindergarten program at Imagine Bella Academy with Art, Physical Education, and computer specials.

Call 216-481-1500 for more information or stop by the school to register your child for Early Kindergarten Testing.

Now enrolling for K-5 and Early Kindergarten! Save your spot today!

### Community Engagement

Here are some photos from Euclid Beach Live and a Kindergarten Summer Park Meetup. Great to meet new people and all our Imagine Bella Buddies!

This summer you can find our staff members at many of the community events around Cleveland and Euclid. Some of the events include Euclid Beach Live, Wade Oval Wednes-

days, Cleveland Zoo, and the East 200th Stroll. You might also see our yard signs or flyers at local businesses. If you see us, stop by and say HI!

## Spider-Man: Far From Home Movie Review

by Brian Friedman  
Marvel enters Phase Four with a fantastic film that continues the tone and themes of the previous Spider-Man chapter. Pacing and acting is strong. CGI is some of Marvel's best yet. Only complaint is even a casual Spider-Man fan knows the plot twist that is coming, which makes the first half a little annoying as we wait for it to arrive. But the film delivers on what is a very difficult villain to bring to screen. Grade - A minus.

## Yesterday Movie Review

by Brian Friedman  
Yesterday Movie Review - I was surprised how satisfying this movie was. Great performances from unknown leads and strong production/ camera work by the director. As a tepid Beatles fan, I found the movie to be quite compelling. Unfortunately, the ending was a little too clean for my tastes. Grade - Middle B.

## The Art of Spiritual Bathing

by Issie Li  
Life has fast tracked us to complete tasks and even life itself at a break neck pace that leaves us tire worn out and often overwhelmed the need to have to start before every moment of our life documented for all the world to see. However, what if there is was a way to slow that pace down and rejuvenate not only our skin but also out soul? Their actually is such a process Its called spiritual bathing and their is a unique art to it that allows people personalize and make the process their own.  
Spiritual bathing has been around for for centuries, some of the most celebrate cultures revere the art of bathing such as the Japenese with their bath houses that allow one to bath in the hot springs of some of the most mineral rich lands to the tibetans who using th art of spiritual bathing to prepare themselves for higher planes of spiritual elevation by combining spices, herbs and cleansing oils. As you can see Spiritual bathing is not new- it just hadn't become a widely held practice.

Americans have bene conditioned to think that cleansing the body should be a rushed process- a chore of you will to get to something that you want to do. With wellness fast becoming one of the fastest growning industries - it is no wonder many people are looking fo ways to create a break from technology and daily life stressors.  
Creating a spiritual bath may sound like it is a long hard complicated process. However, nothing could be further from he truth.
